

Front connectors, EasyConnect®

40-pin

Fast wiring of the plug is ensured through opening and closing of the spring-loaded terminal by turning the screw (180° counterclockwise to open, clockwise to close), saving the user both money and installation time. Ferrules are not necessary. Due to the lower design, the front cover of the module can be optimally closed even in the fully wired state.

Technical specifications

General information	
Order number	700-392-1AM10
Article name	Front connector, EasyConnect®, 40-pin
Scope of delivery	Front connector
Weight	Approx. 70 g
Connector	
Connector type	EasyConnect®
Number	40
Connectible cables	Flexible cables, 0.34 – 1 mm²
Stripping length	8 – 10 mm
Voltage	230 V AC
Current	3 A at 60 °C
Ambient conditions	
Ambient temperature	0 °C ... +60 °C
Transport and storage temperature	-25 °C ... +80 °C
Relative air humidity	max. 75 % at +25 °C
Pollution degree	2
Protection rating	IP20
Certifications	CE
CE	
RoHS	Yes
REACH	Yes
